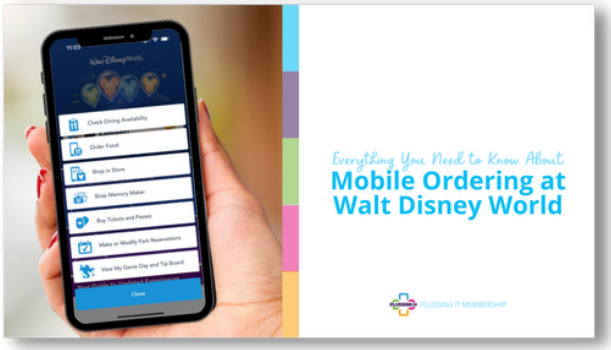
SAMPLE BONUS CONTENT

Three **Bonus Reel** sets each month. In all cases, you are provided with a DONE-FOR-YOU version with text/graphics and one without to truly (and easily) make it your own or tell a different story. The raw video files are provided if you want to try your hand at creating your own Reel Set!

Bonus Carousels are multi-image posts for Instagram that get much better engagement than single images alone. There are 2 FINAL images-one with a call to action and one blank if you want to customize. Add your contact info/logo/etc or unique CTA to make it your own!

Bonus Pictograms help get your audience ENGAGED and you prepared to celebrate (socially) the fun (and quirky) holidays and important things happening in the Disneyverse each month!!
A CANVA TEMPLATE link is provided to make these your own.



Bonus Client Collateral is just another perk of membership. These documents can be used to supply to guests, as lead magnets, for trade show handouts and more. The Collateral Collection is ever growing inside Plussing It!

Bonus Live Trainings are designed to supplement the Core Content Modules and teach actionable steps to using various tools to PLUS your business. Replays are always made available in the How-To Library.
